

## U3A GEELONG

BULLETIN 31/10/2024

### OPEN DAY 30/10/2024

Held yesterday, this day was all about 2025! We launched the new Course Guide (new classes still to be added) and we welcomed a huge crowd of people.

Speaking with people yesterday, we discovered a lot who weren't members but who had heard about us through our extensive publicity campaign.

There were so many people involved in the preparations for yesterday – to our tutors, thank you for presenting and speaking with people; thank you for contributing to the wonderful displays that were spread throughout Cobbin Farm. To the Office staff who have been working for some weeks on all the necessary preparations – the new Course Guide, the signage as well as working on the day in the carpark, the kitchen and answering questions in the Office.

A special thank you to the Mandolin and the Ensemble classes who gave us a wonderful concert outside. This attracted a large crowd and people were very impressed by the professionalism of the players.

The Kitchen Crew worked tirelessly all day in the kitchen providing snacks and teas and coffees; Committee member Terry Kilsby looked professional outside working hard on the sausage sizzle.

This was a real team effort and the feedback was tremendous. You all did U3A Geelong proud.

### MELBOURNE CUP DAY

A reminder that U3A is closed on this day, no classes will be running.

If you have put your name down for the Luncheon – this will open at 12.30pm. Don't forget to bring a few dollars for the sweeps.
